Smarter Searching

Safari's powerful search engine lets users search for and extract information from hundreds of books online. Users can find exactly the information they need from a source they can trust, all in a fraction of the time they'd spend searching elsewhere. Search benefits include:

- Searching by keyword, phrase, author, ISBN, publisher, or category
- Thumbnails of book covers in the hit list
- Relevancy-ranked results for both books and terms
- Hit lists of book chapters containing the search terms
- Keywords in context in the hit list

Intuitive Browsing

Users can browse all Safari Business Books Online just as they would books in print. Each title contains a complete table of contents with chapter links for easy page-to-page browsing. All charts, graphs, and other images are included just as originally published, ensuring that users get total access to the entire range of content offered in each title.

MAKE SAFARI BUSINESS BOOKS ONLINE PART OF YOUR LIBRARY

Add this impressive business information technology resource to your library's collection today. Safari Business Books Online provides powerful tools to integrate and manage collections, including:

- Seamless IP authentication
- Prominent library branding in the interface
- Ability to create links from your library's OPAC directly to books in your collection
- Usage reporting
- Remote access
